

**Saudi - Infant Resident Visa Process**  
**(Based on Mother's Valid Resident Visa)**

Based on Mother's valid Residence visa in her passport and her valid Exit-Re entry visa, Infant child's residence visa will be endorsed.

Requirements are;

1. Mother's Original Passport, which contains the valid Residence visa.
2. Child's Passport
3. Child's Colour Photos (white background, size 4x6 cm) – 4 Nos.
4. Mothers' Valid Exit Re-entry Visa ([Click for Sample](#))
5. Polio Certificate duly attested by Saudi Consulate. Polio certificate should bear the photo of the child and should be a printed or typed one. ([Polio Certificate Sample](#))
6. Father's Passport Copy (first page & last page) and both parents' valid Aqama (Residence Permit) copies.

N. B : Polio Certificate has to be processed and submitted for Saudi Consulate attestation in advance. For Polio certificate we need Passport copy (first page & last page) + recent colour photo (white background, size 4x6 cm). It will take about one week to complete polio certificate attestation.

4. Time Frame : Mondays to Thursdays are the submission days for Family resident visas – once submitted it will get back visa endorsed on the next day or the following day. Generally resident visas are endorsed with a validity period of 90 days.
